Conclusion

Applicants have amended the instant application to more clearly claim the Applicants' invention. None of the foregoing amendments introduces new matter. Further, the previous bases for the Examiner's rejections have been overcome by amendment and argument, or have been rendered moot. Accordingly, Applicants request that the foregoing amendments be entered and that the application be placed in condition for allowance. It is not believed that an extension of time is necessary. However, Applicants hereby petition for any extension of time that is needed in order to prevent abandonment of the application. Please do not hesitate to contact the undersigned in the event of any fee deficiency.

Respectfully submitted,
